

EF CLIF
EUROPEAN FOUNDATION
FOR THE STUDY OF
CHRONIC LIVER FAILURE

Barcelona, 21st November
2022

Subject: Dr Mária Papp EASL CLIF Consortium membership

To whom it may concern,

University of Debrecen team, led by Dr Papp is full member of the EASL CLIF Consortium since 2018. Dr Mária Papp first collaboration with the EASL CLIF Consortium was in the PREDICT Study, an observational multicentric Study, sponsored by the EF CLIF.

From then onwards, Dr Papp and her team in have contributed significantly to the success of several EASL CLIF Consortium projects.

May this letter serve as a confirmation of Dr Mária Papp being a member of the EASL CLIF Consortium and as a formal declaration of our support and trust in her.

In case you need any additional information, do not hesitate to

contact us. Sincerely,

Dr Anna Bosch
General Manager
